CHAIRMAN'S STATEMENT

**CONTINUOUSLY
DEVELOP
HUMAN ASSET
TO POSITION
FOR GROWTH**

On behalf of the Board of Directors of Hiap Teck Venture Berhad ("HTVB"), I am pleased to present the Annual Report and Financial Statements of the Company and the Group for the financial year ended 31st July 2008.

FINANCIAL PERFORMANCE

Once again, I am pleased to report that HTVB Group has recorded the third consecutive year of billion Ringgit turnover.

The operating environment during financial year 2008 started off soft, but later turned strong due to improving demand from both domestic and international markets and coupled with firmer steel prices.

The Group posted a 29.74% increase in revenue during the financial year under review to RM1.662 billion from RM1.281 billion previously. The top line growth was underpinned mainly by strong market demand and improved steel prices. In tandem with these, the Group achieved a record breaking net profit of RM154.278 million, representing an increase of 116.08% from RM71.397 million in the previous financial year.

DIVIDENDS

As a reward to shareholders for their support and with the record profit achieved, the Board of Directors is pleased to recommend a single tier final dividend of 3.0 sen per share on 322.4 million ordinary shares for the financial year 2008, subject to shareholders' approval at the forthcoming Annual General Meeting. If approved, and taken together with the single tier interim dividend of 1.11 sen per share, the total dividend for financial year 2008 amounts to 4.11 sen per share (tax-exempt).

OPERATIONS REVIEW

During the financial year under review, the Group's pipe making subsidiary - Alpine Pipe Manufacturing Sdn Bhd ("APM") obtained the American Petroleum Institute ("API") Monogram Certification. With the API Monogram Certification, we are now officially placing our footprint into the oil & gas industry.

The Group's pursuit of moving up the value chain of its products to higher grades is continuing. In addition to API Monogram Certification, APM has successfully obtained the CE Marking Certification in January 2008. The marking is obligatory for certain products when sold in the European region. With the CE Marking Certification on hand, the Group is able to penetrate into the European market.

The CE Marking Certification has also qualified the Group as an "Audited Mill" which complies to the Singapore's Building & Construction Authority ("BCA")'s latest mandatory ruling.

The Group's trading division benefited from the robust demand in the domestic market and increased selling prices. The trading division showed significant improvements in its financial results over the previous year. Sales revenue increased to RM980.4 million from RM642.9 million in financial year 2007. As one of the leading steel stockists in Malaysia, the trading division maintained its strong presence in the domestic market.

CHAIRMAN'S STATEMENT

(Cont'd)

CORPORATE DEVELOPMENT

During the year, the Group has surrendered the Special Incentive for full income tax relief granted by the authority to APM. Without the Special Incentive, APM will continue to enjoy its normal tax incentive for its capital investment.

PROSPECTS

Financial Year 2009 is expected to be more challenging. Global economic growth is expected to moderate in 2009, given the effect of not just US, but more the global recessionary pressures.

Despite the volatile environment and the effects of rising inflation in most economies, the Group will strive to intensify its efforts to improve efficiency and productivity in its operations and to deliver satisfactory results for the next financial year ending 31 July 2009.

CORPORATE SOCIAL RESPONSIBILITY

As a socially responsible corporate citizen, the Group remains steadfast in our commitment to contribute to our society, and add value to the community at large. The Group is guided in every aspect of its operations by recognising that respect and fair regard are best earned by always conducting our affairs in a responsible manner.

It follows that HTVB has and will continue to look after the environment and respond to those in need, as well as support causes related to education and personal development of the young and under-privileged. During the year, the Group has donated to the Sichuan Earthquake Fund and the Myanmar Cyclone Nargis Fund.

ACKNOWLEDGEMENT

On behalf of the Board, I would like to take this opportunity to extend our deepest gratitude to our valued customers, suppliers, bankers, business associates and shareholders for their continuing support and confidence in us, without which, our success would not be achievable. We look forward to strengthening our relationships and upholding your faith in us.

I also wish to extend my sincere appreciation to the Board of Directors, the management and all staff for their dedication and contributions in making the year a successful one. I am confident that with your continued support and devotion, HTVB's achievements in the future will outshine our successes in the past.

FINANCIAL HIGHLIGHTS

STATEMENT ON CORPORATE GOVERNANCE

The Board of Hiap Teck Venture Berhad recognizes the importance of maintaining good corporate governance in the Group. The Board is fully committed to apply the principles and best practices of the Malaysian Code on Corporate Governance ("the Code") to ensure that the highest standards of corporate governance are practiced throughout the Group.

The Board is pleased to provide the following statements which outline the main corporate governance practices that were in place throughout the financial year.

A. BOARD OF DIRECTORS

i. The Board

The Group acknowledges the vital role played by the Board in the stewardship of the directions and business operations of the Group. To fulfill this role, the Board retains effective control of the Group and is involved in deciding the overall Group strategy and direction, approval of major capital expenditure, significant financial matters and the review of financial and operating performance of the Group.

The Board recognizes the importance for the Company to maintain a dynamic relationship between the Board and the management. The Board as a whole is dedicated to practice clear demarcation of duties, responsibilities and authority within the Company.

Meetings

Board meetings are scheduled every quarter and additional meetings are convened as and when necessary. There were five (5) Board of Directors' Meetings held during the financial year ended 31 July 2008.

Details of the Board of Directors Meetings and their attendance at these meetings are as follows:

Board Committees

The following Board Committees have been established to assist the Board in execution of its duties and responsibilities. The functions and terms of reference of the committees as well as authority delegated by the Board to these Committees are clearly defined.

a. Audit Committee

The Audit Committee, comprises exclusively of Independent Non-Executive Directors, is responsible for reviewing and monitoring the work of the Group's internal audit function as well as ensuring that an objective professional relationship is maintained with the External Auditors. Further details of the Audit Committee are contained in the Audit Committee's Report on pages 27 to 31 of this Annual Report.

b. Nomination Committee

The Nomination Committee comprises exclusively of Independent Non-Executive Directors.

The members of the Nomination Committee are:

Name	Designation	Directorship
Tan Sri Dato' Alwi Jantan	Chairman	Independent Non-Executive Director
Dato' Mohamed Nizam bin Abdul Razak	Member	Independent Non-Executive Director
Mr. Cheah Shu Boon	Member	Independent Non-Executive Director

The Nomination Committee is responsible for proposing new nominees for the Board and for assessing Directors as an on-going basis. Nevertheless, the actual decision as to who shall be appointed remains the responsibility of the full Board after considering the recommendation of the Nomination Committee.

The Nomination Committee serves to ensure that the Company has an effective Board comprising Directors of required mix of skill, experience and other qualities including core competencies. The Nomination Committee ensures an assessment on the effectiveness of the Board, its Committees and the contribution of each Director is carried out once a year.

The Company is entitled to the service of the Company Secretary to ensure the appointment of each of its Directors is properly made.

The Nomination Committee has met twice during the financial year ended 31 July 2008.

c. Remuneration Committee

The Board formed a Remuneration Committee on 24 September 2003. The members of the Remuneration Committee are:

Name	Designation	Directorship
Tan Sri Dato' Alwi Jantan	Chairman	Independent Non-Executive Director
Mr. Kua Hock Lai	Member	Managing Director
Mr. Yeoh Chong Keat	Member	Independent Non-Executive Director
Mr. Cheah Shu Boon	Member	Independent Non-Executive Director

The Remuneration Committee is responsible for recommending to the Board the remuneration packages of the Executive Directors, whilst the Board as a whole determines the remuneration of the Non-Executive Directors. The individual Director concerned does not participate in the discussion of his or her own remuneration.

It is the policy of the Remuneration Committee to structure the remuneration of the Executive Directors so as to link his rewards to individual and Group's performance whilst the remuneration of the Non-Executive Directors is determined in accordance with their experience and the level of responsibilities assumed. Fees payable to all Non-Executive Directors are proposed at the Annual General Meeting for the shareholders' approval.

The members of the Remuneration Committee have met twice during the financial year to review and discuss on the remuneration of the Executive Directors. Based on the comparison of Non-Executive Directors' remuneration of companies in similar industries, the Remuneration Committee had also recommended certain remuneration guidelines to the Board for its consideration and approval.

STATEMENT ON CORPORATE GOVERNANCE

(Cont'd)

d. Investment Committee

The Board set up an Investment Committee on 25 June 2008. The members of the Investment Committee are:

Name	Designation	Directorship
Tan Sri Dato' Alwi Jantan	Chairman	Independent Non-Executive Director
Mr. Kua Hock Lai	Member	Managing Director
Dato' Mohamed Nizam bin Abdul Razak	Member	Independent Non-Executive Director
Mr. Yeoh Chong Keat	Member	Independent Non-Executive Director

The Investment Committee shall provide advice to the Board in establishing policies related to investments and making recommendations thereon to the Board for approval. The Investment Committee shall carry out annual review on the performance/return of the Group's investments. The Investment Committee also reviews the share price performance of the Company and recommends to the Board the appropriate time to buy-back its own shares. The Board as a whole decides on the number of units and price to be transacted.

ii. Board Balance

The Board consists of eleven (11) Directors of which six (6) are Executive Directors, four (4) are Independent Non-Executive Directors and an Alternate Director.

The concept of independence adopted by the Board is in line with the definition of an Independent Director of the Bursa Securities' Listing Requirements. The key elements of fulfilling the criteria are the appointment of Directors who are not members of management (Non-Executive Directors) and who are free of any relationship which could interfere with the exercise of independent judgment or the ability to act in the interests of the Company. The Board complies with the Bursa Securities' Listing Requirements, which requires that at least two (2) Directors or one-third (1/3) of the Board of the Company, whichever is higher, are Independent Directors.

The composition of the Board is well balanced and the Group is led and controlled by an experienced Board made up of professionals and entrepreneurs who have a diverse range of business and financial experience. This mix of skills and experience is essential for the successful attainment of the corporate plans and objectives of the Group. A brief profile of each Director is presented on pages 4 to 9 of this Annual Report.

There is a clear demarcation of responsibility between the Independent Non-Executive Chairman and the Managing Director to ensure the balance of power and authority. Currently, the Board is chaired by Tan Sri Dato' Alwi Jantan, an Independent Non-Executive Director and he is primarily responsible for the Board effectiveness and conduct. The day-to-day responsibilities of overseeing the overall Group's financial and operational matters lie with the Executive Management under the direction of the Managing Director, Mr. Kua Hock Lai, to ensure that the Group is managed in an efficient manner.

The Executive Directors are responsible for implementing the policies and decisions of the Board, overseeing the daily operations as well as business development of the Group. The Independent Non-Executive Directors offer unbiased independent view, advice and judgment in the best interest, not only for the Group but also of shareholders, employees and communities in which the Group conducts its business.

iii. Supply of Information

The Directors have unrestricted access to information pertaining to the Group's business and affairs to enable them to discharge their duties effectively. This information includes both verbal and written details. Senior management would be invited to be present at the Board and Audit Committee meetings, as and when required, to provide further explanation and representation to the Board. Strategic issues such as acquisition and disposal of the Group's investments or assets; announcements to regulators; corporate and restructuring exercises are presented to the Board for its decision to ensure that the direction and control of the Group is firmly in the Board's control. Besides Board Meeting, the Board also exercises control on matters that require Board's approval through circulation of Directors' resolutions.

Prior to meetings of the Board and Board Committees, appropriate documents which include the agenda and reports relevant to the issues of the meetings are circulated to all members. All Directors have full and timely access to information with Board papers distributed in advance of meetings. This ensures that Directors have sufficient time to appreciate issues deliberated at meeting and expedites the decision making process.

All Directors have access to further information which they may require in discharging their duties including seeking independent professional advice, if necessary, at the Company's expense. They also have accessed to the advice and services of the Company Secretary, whose appointment and removal may only be made with the approval of the Board.

iv. Appointment to the Board

There is a formal and transparent procedure which has been approved for the appointment of new Directors to the Board. The Nomination Committee recommends new candidates for all directorships to be filled by the Board. The Board is constantly reviewing the performance of its existing Directors as well as appointing new Directors to the Board wherever the need arises.

v. Re-election

In accordance with the Company's Articles of Association, one-third (1/3) of the Directors or if their number is not three (3) or a multiple of three (3), then the number nearest one-third (1/3) shall retire from office and be eligible for re-election provided always that all Directors shall retire from office once at least in each three (3) years, but shall be eligible for re-election.

Directors over seventy (70) years of age shall hold office until the next annual general meeting but shall be eligible for re-appointment in accordance with Section 129(6) of the Companies Act, 1965.

vi. Directors' Training

All the Directors have attended the Mandatory Accreditation Programme prescribed by Bursa Malaysia Securities Berhad. Directors are encouraged to attend seminars and/or conferences organized by relevant regulatory authorities and professional bodies to keep abreast with development in the market place.

The Directors will continue to evaluate the training needed and to attend other relevant training programmes to further enhance their skills and knowledge to keep abreast with the changing business developments relevant to the industry in which the Group is in.

Append below are some of the training / seminars attended by the Directors during the financial year:

1. Asean Steel Conference - organized by MISIF
2. Breakthrough in Personal Sales - organized by HR Target Consulting Sdn Bhd
3. Directors' Continuing Education Programme - organized by Guinness Anchor Berhad and Fraser & Neave Holdings Bhd
4. Introduction to Steelmaking - organized by MISIF
5. National Tax Conference - organized by M.A.T.A.
6. Trade Forum (WTO, FTA & ASEAN - CEPT) - organized by MISIF

B. DIRECTORS' REMUNERATION

The remuneration policy of the Company for the Managing Director and the Executive Directors are structured to link rewards to corporate and individual performance in order to retain Directors with the relevant skills and experience to meet the challenges of the Group.

The Non-Executive Directors' remuneration comprises fees and allowances. Determination of the said remuneration is balanced with their roles and responsibilities.

The following are the remuneration bands of the Directors:

Remuneration Bands	Executive Directors	Non-Executive Directors

C. SHAREHOLDERS COMMUNICATION AND INVESTORS RELATIONS

The Board recognizes the importance of maintaining transparency and accountability to its shareholders and investors. Thus, the Board provides timely and accurate disclosure of all material information of the Group to the shareholders and investors.

Information is disseminated through various disclosures and announcements made to Bursa Malaysia Securities Berhad which includes the quarterly reports, annual report and press releases. The Company's website provides shareholders and investors the overview information of the Group's business.

In addition, the Company conducts briefings and dialogues with financial analysts locally and abroad to give them an overview of the Group's performance and operations and at the same time, it provides the management an opportunity to directly address, explain or clarify issues that investors may have regarding the business, operations and prospects of the Group.

The Annual General Meeting serves as a principal forum for dialogue with all shareholders. At the General Meetings, the Board provides opportunities for shareholders to raise questions on the business activities of the Group, agenda of the meetings and its proposed resolutions. Extraordinary General Meetings are held as and when required. The Chairman of the meeting will facilitate the discussion with the shareholders and provide further information in response to shareholders' queries.

The Board has identified Mr. Yeoh Chong Keat as the Senior Independent Non-Executive Director to whom concerns from the shareholders relating to the Company may be conveyed.

D. ACCOUNTABILITY AND AUDIT

i. Financial Reporting

The Board through the review by the Audit Committee and in consultation with the External Auditors, presents a balanced and understandable assessment of the Group's financial position and prospect to the shareholders, investors and regulatory authorities.

ii. Internal Control

The Board acknowledges the importance of maintaining a sound system of internal control to safeguard shareholders' interest and the Group's assets. An internal audit function was established to assist the Audit Committee in reviewing the state of internal control of the Group and to highlight areas for management improvement.

The state of internal control of the Group is explained in greater detail in the enclosed Statement on Internal Control.

iii. Relationship with Auditors

The Group has established a transparent and professional relationship with its External Auditors. The Audit Committee reviews the audit plans, scope of audit and audit report as well as their professional fees and appointment. The appointment of the External Auditors is subject to the approval of the shareholders at the general meeting of the Company.

The External Auditors are invited to attend the Audit Committee meetings. The External Auditors are expected to present their audit plans, to report their findings to the Audit Committee and to discuss with the Board of Directors on matters that necessitate the Board's attention.

The Audit Committee had met with the External Auditors on 27 September 2007 and 25 June 2008 without the presence of the Executive Directors and management.

STATEMENT OF DIRECTORS' RESPONSIBILITY IN RELATION TO THE FINANCIAL STATEMENTS

The Board of Directors is required by the Companies Act, 1965 to prepare financial statements for each financial year which have been made out in accordance with applicable Financial Reporting Standards in Malaysia and give a true and fair view of the state of affairs of the Group and Company at the end of the financial year and of the results and cash flows of the Group and Company for the financial year.

In preparing the financial statements, the Directors have:

- adopted suitable accounting policies and applied them consistently;
- made judgments and estimates that are reasonable and prudent;
- ensured that all applicable financial reporting standards have been followed;
- prepared financial statements on a going concern basis as the Directors have reasonable expectation, having made enquiries, that the Group and Company have adequate resources to continue in operational existence for the foreseeable future; and
- ensured that proper accounting records are kept which disclose with reasonable accuracy the financial position of the Group and the Company which enable them to ensure that the financial statements comply with the Companies Act, 1965 and applicable Financial Reporting Standards.

The Directors have the overall responsibility for taking reasonable steps to safeguard the assets of the Group to prevent and detect fraud and other irregularities.

This Statement is made in accordance with a resolution of the Board of Directors dated 30 October 2008.

STATEMENT ON INTERNAL CONTROL

The Board of Directors of Hiap Teck Venture Berhad acknowledges the importance of the system of internal control and recognises that it is their responsibility to maintain a sound system of internal control to safeguard the Group's interests. In this respect, the Board is responsible for identifying the principal business risks, ensuring the implementation of appropriate systems to manage these risks and reviewing the adequacy and integrity of the Group's system of internal control. Broadly, the experience of the directors and the management team; the independent review mechanism established in the organization; and the operational procedures constitute the key elements of the risk management and internal control frameworks in the Group.

The Group has an on-going process for identifying, evaluating and managing significant risks facing the organization. Primarily, the risk management function is driven by all Executive Directors and assisted by the management. This function is embedded and carried out as part of the Group's operating and business management processes. When necessary, external and relevant professionals are drawn on from time to time to assist and provide advice to the Board.

Independent review of system of internal control is essential to provide an objective assurance to the Board. Currently, this review mechanism is undertaken by the Audit Committee. The presence of the internal audit function complements this independent review mechanism and assists the Audit Committee in conducting their reviews. The independent review mechanism also covers the review of financial data and information. In this respect, the Audit Committee in consultation with the management and external auditors deliberates the integrity of the financial results, annual report and audited financial statements before recommending to the Board for presenting to the shareholders and public investors.

Alpine Pipe Manufacturing Sdn Bhd ("APM") a key subsidiary of the Group continues to be certified under the ISO 9001:2000 Quality Management System. This quality management system is documented and forms the major part of the operational procedures in APM. The internal quality audits are carried out and annual surveillance audits are conducted by external certification body to provide assurance of compliance with the ISO requirements. Additionally, APM was accredited by the American Petroleum Institutes ("API") during the financial year. This API accreditation acknowledges and signifies the international standard of quality of the principal business processes of the Group. Both certifications provide a reference point to the management of other subsidiaries in furthering their improvement on the current operating procedures.

The Board is satisfied that the operating procedures and the process of review, evaluation and monitoring of risks and the system of internal control is reasonably effective. Nonetheless, the Board will continue to improve the Group's system of internal control along with the development change in its business. It shall also be noted that risk management systems and system of internal control are only designed to manage rather than eliminate risks of failure to achieve business objectives. Therefore, these systems can only provide reasonable but not absolute assurance against material misstatements, frauds and losses.

TREASURY SHARES

During the financial year, the Company repurchased 2,317,400 of its issued ordinary shares from the open market at an average price of RM1.64 per share. The total consideration paid for the repurchase including transaction costs was RM3,793,387.

The shares repurchased are being held as treasury shares in accordance with Section 67A of the Companies Act, 1965 and further relevant details are disclosed in Note 23 to the financial statements.

OTHER STATUTORY INFORMATION

- (a) Before the income statements and balance sheets of the Group and of the Company were made out, the directors took reasonable steps:
- (i) to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate provision had been made for doubtful debts; and
 - (ii) to ensure that any current assets which were unlikely to realise their values as shown in the accounting records in the ordinary course of business had been written down to an amount which they might be expected so to realise.

OTHER STATUTORY INFORMATION (CONT'D)

- (b) At the date of this report, the directors are not aware of any circumstances which would render:
 - (i) the amount written off for bad debts or the amount of the provision for doubtful debts in these financial statements inadequate to any substantial extent; and
 - (ii) the values attributed to the current assets in these financial statements misleading.
- (c) At the date of this report, the directors are not aware of any circumstances which have arisen which would render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.
- (d) At the date of this report, the directors are not aware of any circumstances not otherwise dealt with in this report or financial statements of the Group and of the Company which would render any amount stated in the financial statements misleading.
- (e) As at the date of this report, there does not exist:
 - (i) any charge on the assets of the Group or of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or
 - (ii) any contingent liability of the Group or of the Company which has arisen since the end of the financial year.
- (f) In the opinion of the directors:
 - (i) no contingent or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which will or may affect the ability of the Group or of the Company to meet their obligations as and when they fall due; and
 - (ii) no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the financial year and the date of this report which is likely to affect substantially the results of the operations of the Group or of the Company for the financial year in which this report is made.

SUBSEQUENT EVENT

Details of the subsequent event are disclosed in Note 35 to the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the members of Hiap Teck Venture Berhad (Incorporated in Malaysia)

Report on the financial statements

We have audited the financial statements of Hiap Teck Venture Berhad, which comprise the balance sheets as at 31 July 2008 of the Group and of the Company, and the income statements, statements of changes in equity and cash flow statements of the Group and of the Company for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 41 to 93.

Directors' responsibility for the financial statements

The directors of the Company are responsible for the preparation and fair presentation of these financial statements in accordance with Financial Reporting Standards and the Companies Act, 1965 in Malaysia. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements have been properly drawn up in accordance with Financial Reporting Standards and the Companies Act, 1965 in Malaysia so as to give a true and fair view of the financial position of the Group and of the Company as at 31 July 2008 and of their financial performance and cash flows of the Group and of the Company for the year then ended.

INDEPENDENT AUDITOR'S REPORT

To the members of Hiap Teck Venture Berhad (Incorporated in Malaysia)
(Cont'd)

Report on other legal and regulatory requirements

In accordance with the requirements of the Companies Act, 1965 in Malaysia, we also report the following:

- (a) In our opinion, the accounting and other records and the registers required by the Act to be kept by the Company and its subsidiaries have been properly kept in accordance with the provisions of the Act.
- (b) We are satisfied that the accounts of the subsidiaries that have been consolidated with the financial statements of the Company are in form and content appropriate and proper for the purposes of the preparation of the consolidated financial statements and we have received satisfactory information and explanations required by us for those purposes.
- (c) The auditors' reports on the accounts of the subsidiaries were not subject to any qualification and did not include any comment required to be made under Section 174(3) of the Act.

Other matters

This report is made solely to the members of the Company, as a body, in accordance with Section 174 of the Companies Act, 1965 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTES TO THE FINANCIAL STATEMENTS

31 July 2008

1. CORPORATE INFORMATION

The principal activities of the Company are investment and property holdings and the provision of management services. The principal activities of the subsidiaries are disclosed in Note 14 to the financial statements. There have been no significant changes in the nature of the principal activities during the financial year.

The Company is a public limited liability company, incorporated and domiciled in Malaysia, and is listed on the Main Board of Bursa Malaysia Securities. The registered office of the Company is located at Lot 6096, Jalan Haji Abdul Manan, Batu 5 1/2, Off Jalan Meru, 41050 Klang, Selangor Darul Ehsan.

The financial statements were authorised for issue by the Board of Directors in accordance with a resolution of the directors on 30 October 2008.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation

The financial statements comply with the provisions of the Companies Act, 1965 and applicable Financial Reporting Standards in Malaysia. At the beginning of the current financial year, the Group and the Company had adopted new and revised Financial Reporting Standards ("FRS") which are mandatory for financial periods beginning on or after 1 January 2007 as described fully in Note 2.3.

The financial statements of the Group and of the Company have also been prepared on a historical basis, except for land and buildings included within property, plant and equipment that have been measured at their revaluation values.

The financial statements are presented in Ringgit Malaysia (RM) and all values are rounded to the nearest thousand (RM'000) except when otherwise indicated.

2.2 Summary of Significant Accounting Policies

(a) Subsidiaries and Basis of Consolidation

(i) Subsidiaries

Subsidiaries are entities over which the Group has the ability to control the financial and operating policies so as to obtain benefits from their activities. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Group has such power over another entity.

In the Company's separate financial statements, investments in subsidiaries are stated at cost less impairment losses. On disposal of such investments, the difference between net disposal proceeds and their carrying amounts is included in profit or loss.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of Significant Accounting Policies (Cont'd)

(a) Subsidiaries and Basis of Consolidation (Cont'd)

(iii) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the balance sheet date. The financial statements of the subsidiaries are prepared for the same reporting date as the Company.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases. In preparing the consolidated financial statements, intragroup balances, transactions and unrealised gains or losses are eliminated in full. Uniform accounting policies are adopted in the consolidated financial statements for like transactions and events in similar circumstances.

Acquisitions of subsidiaries are accounted for using the purchase method. The purchase method of accounting involves allocating the cost of the acquisition to the fair value of the assets acquired and liabilities and contingent liabilities assumed at the date of acquisition. The cost of an acquisition is measured as the aggregate of the fair values, at the date of exchange, of the assets given, liabilities incurred or assumed, and equity instruments issued, plus any costs directly attributable to the acquisition.

(b) Property, Plant and Equipment, and Depreciation

All items of property, plant and equipment are initially recorded at cost. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Subsequent to recognition, property, plant and equipment except for freehold land and buildings are stated at cost less accumulated depreciation and any accumulated impairment losses.

Freehold land and buildings are stated at revalued amount, which is the fair value at the date of the revaluation less any accumulated impairment losses. Fair value is determined from market-based evidence by appraisal that is undertaken by professionally qualified valuers. Revaluations are performed with sufficient regularity to ensure that the fair value of a revalued asset does not differ materially from that which would be determined using fair values at the balance sheet date.

Any revaluation surplus is credited to the revaluation reserve included within equity, except to the extent that it reverses a revaluation decrease for the same asset previously recognised in profit or loss, in which case the increase is recognised in profit or loss to the extent of the decrease previously recognised.

A revaluation deficit is first offset against unutilised previously recognised revaluation surplus in respect of the same asset and the balance is thereafter recognised in profit or loss. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of Significant Accounting Policies (Cont'd)

(b) Property, Plant and Equipment, and Depreciation (Cont'd)

Freehold land has an unlimited useful life and therefore is not depreciated. Capital work-in-progress is also not depreciated. Depreciation of other property, plant and equipment is provided for on a straight-line basis to write off the cost of each asset to its residual value over the estimated useful life, at the following annual rates:

Buildings	2%
Plant and machinery	10 - 20%
Motor vehicles	20%
Other assets	10 - 20%

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The difference between the net disposal proceeds, if any and the net carrying amount is recognised in profit or loss and the unutilised portion of the revaluation surplus on that item is taken directly to retained earnings.

(c) Investment Properties

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Such properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and any accumulated impairment losses.

Freehold land has an unlimited useful life and therefore is not depreciated.

Depreciation of buildings is provided for on a straight-line basis to write off the cost of each asset to its residual value over the estimated useful life, at the annual rate of 2% per annum.

Investment properties are derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of an investment property are recognised in profit or loss in the year in which they arise.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of Significant Accounting Policies (Cont'd)

(d) Impairment of Non-financial Assets

The carrying amounts of assets, other than investment properties, inventories, deferred tax assets, are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated to determine the amount of impairment loss.

For the purpose of impairment testing of these assets, recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. If this is the case, recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

An impairment loss is recognised in profit or loss in the period in which it arises, unless the asset is carried at revalued amount, in which case the impairment loss is accounted for as a revaluation decrease to the extent that the impairment loss does not exceed the amount held in the asset revaluation reserve for the same asset.

An impairment loss for an asset is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss for an asset is recognised in profit or loss, unless the asset is carried at revalued amount, in which case, such reversal is treated as a revaluation increase.

(e) Inventories

Inventories are stated at lower of cost and net realisable value.

Cost is determined using the weighted average basis. The cost of raw materials comprises costs of purchase plus costs incurred in bringing the inventories to their present locations and conditions. The costs of finished goods and work-in-progress comprise costs of raw materials, direct labour, other direct costs and appropriate proportions of manufacturing overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to complete the sale.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of Significant Accounting Policies (Cont'd)

(f) Financial Instruments

Financial instruments are recognised in the balance sheet when the Group has become a party to the contractual provisions of the instrument.

Financial instruments are classified as liabilities or equity in accordance with the substance of the contractual arrangement. Interest, dividends and gains and losses relating to a financial instrument classified as a liability, are reported as expense or income. Distributions to holders of financial instruments classified as equity are recognised directly in equity. Financial instruments are offset when the Group has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle the liability simultaneously.

(i) Cash and Cash Equivalents

For the purposes of the cash flow statements, cash and cash equivalents include cash on hand and at banks and deposits at call, net of outstanding bank overdrafts.

(ii) Other Non-current and Short Term Investment

Non-current and short term investment other than investments in subsidiaries and investment properties are stated at cost less impairment losses. On disposal of an investment, the difference between net disposal proceeds and its carrying amount is recognised in profit or loss.

(iii) Trade Receivables

Trade receivables are carried at anticipated realisable values. Bad debts are written off when identified. An estimate is made for doubtful debts based on a review of all outstanding amounts as at the balance sheet date.

(iv) Trade Payables

Trade payables are stated at the fair value of the consideration to be paid in the future for goods and services received.

(v) Interest Bearing Borrowings

All borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest bearing borrowings are subsequently measured at amortised cost using the effective interest method.

(vi) Equity Instruments

Ordinary shares are classified as equity. Dividends on ordinary shares are recognised in equity in the period in which they are declared.

The transaction costs of an entity transaction are accounted for as a deduction from equity, net of tax. Equity transaction costs comprise only those incremental external costs directly attributable to the equity transaction which would otherwise have been avoided.

The consideration paid, including attributable transaction costs on repurchased ordinary shares of the Company that have not been cancelled, are classified as treasury shares and presented as a deduction from equity. No gain or loss is recognised in profit or loss on the sale, re-issuance or cancellation of treasury shares. When treasury shares are reissued by resale, the difference between the sales consideration and the carrying amount is recognised in equity.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of Significant Accounting Policies (Cont'd)

(f) Financial Instruments (Cont'd)

(vii) Derivative Financial Instruments

The Group uses derivative financial instruments, including forward foreign exchange contracts, to hedge its exposure to foreign exchange arising from operational activities. In accordance with its treasury policy, the Group does not hold or issue derivative financial instruments for trading purposes.

Derivative financial instruments are not recognised in the financial statements.

(g) Leases

(i) Classification

A lease is recognised as a finance lease if it transfers substantially to the Group all the risks and rewards incidental to ownership. Leases of land and buildings are classified as operating or finance leases in the same way as leases of other assets and the land and buildings elements of a lease of land and buildings are considered separately for the purposes of lease classification. All leases that do not transfer substantially all the risks and rewards are classified as operating lease, with the following exception:

- Property held under operating leases that would otherwise meet the definition of an investment property is classified as an investment property on a property-by-property basis and, if classified as investment property, is accounted for as if held under a finance lease (Note 2.2 (c)).

(ii) Finance Leases - the Group as Lessee

Assets acquired by way of hire purchase or finance leases are stated at an amount equal to the lower of their fair values and the present value of the minimum lease payments at the inception of the leases, less accumulated depreciation and impairment losses. The corresponding liability is included in the balance sheet as borrowings. In calculating the present value of the minimum lease payments, the discount factor used is the interest rate implicit in the lease, when it is practicable to determine; otherwise, the Company's incremental borrowing rate is used. Any initial direct costs are also added to the carrying amount of such assets.

Lease payments are apportioned between the finance costs and the reduction of the outstanding liability. Finance costs, which represent the difference between the total leasing commitments and the fair value of the assets acquired, are recognised in the profit or loss over the term of the relevant lease so as to produce a constant periodic rate of charge on the remaining balance of the obligations for each accounting period.

The depreciation policy for leased assets is in accordance with that for depreciable property, plant and equipment as described in Note 2.2 (b).

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of Significant Accounting Policies (Cont'd)

(g) Leases (Cont'd)

(iii) Operating Leases - the Group as Lessee

Operating lease payments are recognised as an expense on a straight-line basis over the term of the relevant lease. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

In the case of a lease of land and buildings, the minimum lease payments or the up-front payments made are allocated, whenever necessary, between the land and buildings elements in proportion to the relative fair values for leasehold interests in the land element and buildings element of the lease at the inception of the lease. The up-front payment represents prepaid lease payments and are amortised on a straight-line basis over the lease term.

(iv) Operating Leases - the Group as Lessor

Assets leased out under operating leases are presented on the balance sheets according to the nature of the assets. Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease (Note 2.2(m)(iii)). Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

(h) Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

(i) Income Tax

Income tax on the profit or loss for the year comprises current and deferred tax. Current tax is the expected amount of income taxes payable in respect of the taxable profit for the year and is measured using the tax rates that have been enacted at the balance sheet date.

Deferred tax is provided for, using the liability method. In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised.

Deferred tax is measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax is recognised as income or an expense and included in the profit or loss for the period, except when it arises from a transaction which is recognised directly in equity, in which case the deferred tax is also recognised directly in equity.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of Significant Accounting Policies (Cont'd)

(j) Provisions

Provisions are recognised when the the Group has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as finance cost.

(k) Employee Benefits

(i) Short Term Benefits

Wages, salaries, bonuses and social security contributions are recognised as an expense in the year in which the associated services are rendered by employees. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences. Short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

(ii) Defined Contribution Plans

Defined contribution plans are post-employment benefit plans under which the Company pays fixed contributions into separate entities or funds and will have no legal or constructive obligation to pay further contributions if any of the funds do not hold sufficient assets to pay all employee benefits relating to employee services in the current and preceding financial years. Such contributions are recognised as an expense in the profit or loss as incurred.

As required by law, companies in Malaysia make such contributions to the Employees Provident Fund ("EPF").

(l) Foreign Currencies

(i) Functional and Presentation Currency

The individual financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The consolidated financial statements are presented in Ringgit Malaysia ("RM"), which is also the Company's functional currency.

(ii) Foreign Currency Transactions

In preparing the financial statements of the individual entities, transactions in currencies other than the entity's functional currency (foreign currencies) are recorded in the functional currencies using the exchange rate prevailing at the dates of the transactions. At each balance sheet date, monetary items denominated in foreign currencies are translated at the rates prevailing on the balance sheet date.

Exchange differences arising on the settlement of monetary items, and on the translation of monetary items, are included in profit or loss for the period.

(m) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The following criteria must also be met before revenue is recognised:

(i) Sale of Goods

Revenue is recognised net of sales taxes and discounts upon transfer of significant risks and rewards of ownership to the buyer. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

(ii) Transport Charges

Revenue from transport charges is recognised when the services have been performed.

(iii) Rental Income

Rental income related to rental of properties and scaffoldings are recognised over the period of tenancy or usage, as appropriate.

(iv) Interest Income

Interest income is recognised on an accrual basis using the effective interest method.

(v) Dividend Income

Dividend income is recognised when the Group's right to receive payment is established.

(vi) Slitting and Forming Charges

Revenue from slitting and forming charges is recognised when the services have been performed.

(vii) Management Fees

Management fees are recognised when services are rendered.

2.3 Changes in Accounting Policies and Effects Arising from Adoption of New and Revised FRSs

On 1 August 2007, the Group and the Company adopted the following revised FRSs:

- i) Amendment to FRS 119₂₀₀₄: Employees Benefits- Actuarial Gains and Losses, Group Plans and Disclosures
- ii) FRS 6 - Exploration for and Evaluation of Mineral Resources
- iii) FRS 117 - Leases
- iv) FRS 124 - Related Party Disclosures

The adoption Amendment to FRS 119₂₀₀₄ and FRS 6 did not result in significant changes in accounting policies of the Group, while the adoption of FRS 124 gives rise to additional disclosures relating to related party transactions.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.3 Changes in Accounting Policies and Effects Arising from Adoption of New and Revised FRSs (Cont'd)

The principal changes in accounting policy and its effects resulting from the adoption of FRS 117 are discussed below:

(a) FRS 117 - Leases

Leasehold land held for own use

Prior to 1 August 2007, leasehold land held for own use was classified as property, plant and equipment and was stated at cost less accumulated depreciation and impairment losses. The adoption of the revised FRS 117 has resulted in a change in the accounting policy relating to the classification of leases of land and buildings. Leases of land and buildings are classified as operating or finance leases in the same way as leases of other assets and the land and buildings elements of a lease of land and buildings are considered separately for the purposes of lease classification. Leasehold land held for own use is now classified as operating lease and where necessary, the minimum lease payments or the up-front payments made are allocated between the land and the buildings elements in proportion to the relative fair values for leasehold interests in the land element and buildings element of the lease at the inception of the lease. The up-front payment represents prepaid lease payments and are amortised on a straight-line basis over the lease term.

The Group has applied the change in accounting policy in respect of leasehold land in accordance with the transitional provisions of FRS 117. At 1 August 2007, the unamortised amount of leasehold land is retained as the surrogate carrying amount of prepaid lease payments as allowed by the transitional provisions.

The reclassification of leasehold land as prepaid lease payments has been accounted for retrospectively and as disclosed in Note 2.3(c), certain comparatives have been restated. The effects on the balance sheet of the Group as at 31 July 2008 are set out in Note 2.3(b). There were no effects on the income statement of the Group and the financial statements of the Company for the year ended 31 July 2008.

(b) Summary of effects of adopting FRS117 on the current year's financial statements

2.4 Standards and Interpretations Issued but Not Yet Effective

At the date of authorisation of these financial statements, the following FRS was issued but not yet effective and has not been applied by the Group and the Company:

	Effective for financial periods beginning on or after
FRS 139 - Financial Instruments: Recognition and Measurement	1 January 2010

The Group and the Company is exempted from disclosing the possible impact, if any, to the financial statements upon the initial application of FRS 139.

2.5 Significant Accounting Estimates and Judgement

(a) Critical Judgement Made in Applying Accounting Policies

The following is the judgement made by management in the process of applying the Group's accounting policies that have the most significant effect on the amounts recognised in the financial statements.

Classification between investment properties and property, plant and equipment

The Group has developed certain criteria based on FRS 140 - Investment Properties, in making judgement whether a property qualifies as an investment property. Investment property is a property held to earn rentals or for capital appreciation or both.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.5 Significant Accounting Estimates and Judgement (Cont'd)

(a) Critical Judgement Made in Applying Accounting Policies (Cont'd)

Some properties comprise a portion that is held to earn rentals or for capital appreciation and another portion that is held for use in the production or supply of goods or services or for administrative purposes. If these portions could be sold separately (or leased out separately under a finance lease), the Group would account for the portions separately. If the portion could not be sold separately, the property is an investment property only if an insignificant portion is held for use in the production or supply of goods or services or for administrative purposes. Judgement is made on an individual property basis to determine whether ancillary services are so significant that a property does not qualify as investment property.

Certain freehold land and buildings of the Group and the Company with carrying value RM5,954,000 and RM60,234,000 (2007: RM2,583,000 and RM61,012,000) respectively are being let out to earn rental income and for capital appreciation purposes. Accordingly, these properties are now classified as investment properties.

(b) Key Sources of Estimation Uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) Deferred Tax Assets

Deferred tax assets are recognised for all unused tax losses and unabsorbed capital allowances to the extent that it is probable that taxable profit will be available against which the losses and capital allowances can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies. As at 31 July 2008, the total carrying values of recognised capital allowances and industrial building allowances of the Group and of the Company were RM596,000 and RM136,000 (2007: Nil) respectively. The unrecognised tax losses and capital allowances of the Group were Nil and RM6,074,000 (2007: RM1,707,000 and RM11,304,000) respectively.

(ii) Inventory Rebates Receivable

The Group is entitled to claim rebates for the export of certain goods manufactured from the raw materials purchased from a supplier. As at 31 July 2008, total rebates receivable from the supplier amounted to RM38,215,277 (2007: RM13,382,896). However, these rebates have not been certified by the supplier as at the date of this report.

In assessing the recoverability of the rebates, the Group has given due consideration to all pertinent information such as the recoverability rate of previous claims and the ability of the supplier to settle the debts. Notwithstanding that the rebates have not been certified, the management is confident that the actual amount certified by the supplier will not materially differ from the amount claimed by the Group and therefore recoverable from the supplier. Accordingly, no provision for doubtful recovery has been made in the financial statements.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.5 Significant Accounting Estimates and Judgement (Cont'd)

(b) Key Sources of Estimation Uncertainty (Cont'd)

(iii) Impairment of Assets

The management determines whether the carrying amounts of the Group's freehold land, buildings, investment properties and prepaid lease payments on leasehold land have been impaired. This involves measuring the recoverable amounts through their fair values less costs to sell via valuation performed by independent professional valuer. Based on the results from the impairment assessments, the directors are of the opinion that the fair values less costs to sell of certain buildings, investment properties and prepaid lease payments on leasehold land are lower than their carrying amounts and therefore are impaired. Accordingly, impairment losses of these assets are recognised in the financial statements of the Group as stated in Note 5.

Domestic current income tax is calculated at the statutory tax rate of 26% (2007: 27%) of the estimated assessable profit for the year except for certain subsidiaries of which the domestic income tax during the current financial year is calculated at the Malaysian statutory tax rate of 20% of the estimated assessable profit up to RM500,000 (2007: RM500,000). The domestic statutory tax rate will be reduced to 25% from the current year's rate of 26%, effective year of assessment 2009. The computation of deferred tax as at 31 July 2008 has reflected these changes.

A reconciliation of income tax expense applicable to profit before tax at the statutory income tax rate to income tax expense at the effective income tax rate of the Group and of the Company is as follows:

	2008	2007

Less: Provision for doubtful debts	(4,742)	(4,770)
	<hr/>	<hr/>
	355,486	239,532
	<hr/>	<hr/>

The Group's normal trade credit term ranges from 14 to 90 (2007: 14 to 90) days. Other credit terms are assessed and approved on a case-by-case basis.

The Group has no significant concentration of credit risk that may arise from exposure to a single debtor or to groups of debtors.

Included in trade receivables of the Group is an amount of RM153,393 (2007: Nil) owing from a company in which a director of the Company has significant interests.

The movements in provision for doubtful debts are as follows:

	Group	
	2008	2007

	37,735	30,445	76	99

Included in deposits of the Group is an amount of RM5,000,000 (2007: RM12,076,000) being deposits placed with a major supplier of a subsidiary.

Included in sundry receivables of the Group are inventory rebates receivable from a supplier amounted to RM38,215,277 (2007: RM13,382,896). These rebates have not been certified by the supplier as at the date of this report. In assessing the recoverability of the rebates, the Group has given due consideration to all pertinent information such as the recoverability rate of previous claims and the ability of the supplier to settle the debts. Notwithstanding that the rebates have not been certified, the management is confident that the actual amount certified by the supplier will not materially differ from the amount claimed by the Group and therefore recoverable from the supplier. Accordingly, no provision for doubtful recovery has been made in the financial statements.

The Group has concentration of credit risk in the form of deposits and sundry receivables due from a major supplier of a subsidiary representing 82% (2007: 51%) of total other receivables.

20. DUE FROM SUBSIDIARIES

The amounts due from subsidiaries are non-trade in nature, unsecured, interest-free and have no fixed terms of repayment.

24. RESERVES (CONT'D)

(b) Retained Profits

Prior to the year of assessment 2008, Malaysian companies adopted the full imputation system. In accordance with the Finance Act 2007 which was gazetted on 28 December 2007, companies shall not be entitled to deduct tax on dividend paid, credited or distributed to its shareholders, and such dividends will be exempted from tax in the hands of the shareholders ("single tier system"). However, there is a transitional period of six years, expiring on 31 December 2013, to allow companies to pay franked dividends to their shareholders under limited circumstances. Companies also have an irrevocable option to disregard the 108 balance and opt to pay dividends under the single tier system. The change in the tax legislation also provides for the 108 balance to be locked-in as at 31 December 2007 in accordance with Section 39 of the Finance Act 2007.

The Company has elected for the irrevocable option to disregard the 108 balance as at 31 December 2007. Hence, the Company will be able distribute dividends out of its entire retained earnings under the single tier system.

(b) Compensation of key management personnel

The compensation of key management personnel who are the directors of the Group and of the Company are detailed in Note 7.

32. FINANCIAL INSTRUMENTS**(a) Financial Risk Management Objectives and Policies**

The Group's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Group's businesses whilst managing its interest rate risk, liquidity risk, credit risk and foreign currency risk. The Board reviews and agrees policies for managing each of these risks and they are summarised below. It is, and has been throughout the year under review, the Group's policy that no trading in derivative financial instruments shall be undertaken.

(b) Interest Rate Risk

Cash flow interest rate risk is the risk that future cash flows of a financial instrument will fluctuate because changes in market interest rates. As the Group's investment in financial assets are mainly short term in nature and they are not held for speculative purposes, the Group's income and operating cash flow are substantially independent of changes in market interest rates. The Group's primary interest rate risk relates to interest-bearing debts.

The Group manages its interest rate exposure by maintaining a fixed and floating rate borrowings. The Group reviews its debt portfolio, taking into account the investment holding period and nature of its assets.

NOTES TO THE FINANCIAL STATEMENTS

32. FINANCIAL INSTRUMENTS (CONT'D)

(c) Liquidity Risk

The Group actively manages its operating cash flows and the availability of funding so as to ensure that all repayment and funding needs are met. As part of its overall prudent liquidity management, the Group maintains sufficient levels of cash to meet its working capital requirements. In addition, the Group strives to maintain available banking facilities at a reasonable level to its overall debt position.

(d) Credit Risk

Credit risks, or the risk of counterparties defaulting, is controlled by the application of credit approvals, limits and monitoring procedures. Credit risks are minimised and monitored via strictly limiting the Group's associations to business partners with high creditworthiness.

The Group has concentration of credit risk in the form of deposits and sundry receivables due from a major supplier of a subsidiary representing 82% (2007: 51%) of total other receivables.

(e) Foreign Currency Risk

The Group is mainly exposed to United States Dollars, Singapore Dollars and Australian Dollars. Foreign currency denominated assets and liabilities together with expected cash flows from highly probable purchases and sales give rise to foreign exchange exposures.

Foreign exchange exposures in transactional currencies other than functional currencies of the operating entities are kept to an acceptable level. Material foreign currency transaction exposures are hedged, mainly with derivative financial instruments such as forward foreign exchange contracts.

The net unhedged financial assets and financial liabilities of the Group that are not denominated in their functional currencies are as follows:

Functional Currency of Group Companies	United States Dollars RM'000	Singapore Dollars RM'000	Australian Dollars RM'000	Total RM'000
At 31 July 2008:

		<hr/>

The net unrecognised losses on forward contracts used to hedge anticipated sales are amounted to RM739,000 (2007: RM4,000) and are deferred until the related sales occur, at which time they will be included in the measurement of the sales.

(f) Fair Value

The carrying amounts of financial assets and liabilities of the Group at the balance sheet date approximated their fair values except for the following:

	Group Carrying Amount RM'000	Fair Value RM'000
At 31 July 2008		
Term loans	41,775	41,705
	<hr/>	<hr/>
At 31 July 2007		
Term Loans	43,628	43,445
	<hr/>	<hr/>

The methods and assumptions used by management to determine fair value of financial instrument other than those whose carrying amounts reasonably approximate their fair values is as follows:

Term Loans

The fair values of term loans are estimated by discounting the expected future cash flows using current interest rates for liabilities with similar risk profiles.

NOTICE OF TWELFTH ANNUAL GENERAL MEETING

(Cont'd)

6.3 Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature ("Proposed Renewal of Shareholders' Mandate") Ordinary Resolution 9

"THAT the Company and/or its subsidiaries be and are hereby authorised to enter into recurrent related party transactions of a revenue or trading nature as specified in Section 2.3.2 of the Circular to Shareholders dated 11 November 2008, provided that such arrangements and/or transactions which are necessary for the Group's day-to-day operations are undertaken in the ordinary course of business, at arm's length basis, on normal commercial terms and on terms which are not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders of the Company.

AND THAT the Directors of the Company be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they may consider expedient or necessary or in the best interest of the Company to give effect to the Proposed Renewal of Shareholders' Mandate.

AND FURTHER THAT such authority shall continue to be in force until:

- (i) the conclusion of the next Annual General Meeting ("AGM") of the Company following the general meeting at which such Proposed Renewal of Shareholders' Mandate was passed, at which time it will lapse, unless by ordinary resolution passed at the meeting, the authority is renewed either unconditionally or subject to conditions;
- (ii) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 143(1) of the Companies Act, 1965 ("the Act") (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act); or
- (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever is the earlier."

6.4 Proposed Renewal of Shareholders' Mandate for Share Buy-Back Ordinary Resolution 10

"THAT subject to the Companies Act, 1965, the Memorandum and Articles of Association of the Company, the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities") and all other prevailing laws, rules, regulations and orders issued and/or amended from time to time by the relevant regulatory authorities, the Company be and is hereby authorised to renew the approval granted by the shareholders of the Company at Eleventh Annual General Meeting of the Company held on 18 December 2007, authorising the Company to purchase and/or hold up to 10% of the issued and paid-up share capital of the Company ("Proposed Share Buy-Back") as may be determined by the Directors of the Company from time to time through Bursa Securities upon such terms and conditions as the Directors of the Company may deem fit and expedient in the interest of the Company and an amount not exceeding the retained profits and share premium reserves of the Company, be allocated by the Company for the Proposed Share Buy-Back. The retained profits and share premium reserves of the Company stood at RM1,037,003.12 and RM25,341,494.11 respectively for the financial year ended 31 July 2008.

AND THAT upon completion of the purchase by the Company of its own shares, the Directors of the Company be and are hereby authorised to cancel such shares or retain such shares as the Treasury Shares or a combination of both. The Directors of the Company are further authorised to resell the Treasury Shares on Bursa Securities or distribute the Treasury Shares as dividends to the shareholders of the Company or subsequently cancel the Treasury Shares or any combination of the three.

AND FURTHER THAT the Directors of the Company be and are hereby authorised to carry out the Proposed Share Buy-Back immediately upon the passing of this resolution until:

- (a) the conclusion of the next Annual General Meeting ("AGM") of the Company at which time the authority shall lapse, unless by ordinary resolution passed at the meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occur first but not so as to prejudice the completion of purchase(s) by the Company before the aforesaid expiry date and to take all steps as are necessary and/or to do all such acts and things as the Directors of the Company deem fit and expedient in the interest of the Company to give full effect to the Proposed Share Buy-Back with full powers to assent to any conditions, modifications, amendments and/or variations as may be imposed by the relevant authorities."

7. To transact any other business of the Company of which due notice shall be given in accordance with the Company's Articles of Association and the Companies Act, 1965.

NOTICE OF DIVIDEND ENTITLEMENT

NOTICE IS HEREBY GIVEN THAT a Single Tier Final Dividend of 3.0 sen per share in respect of the financial year ended 31 July 2008 will be payable on 26 February 2009 to Depositors registered in the Record of Depositors at the close of business on 3 February 2009.

NOTICE OF TWELFTH ANNUAL GENERAL MEETING

(Cont'd)

Notes:

1. A member entitled to attend and vote at the Meeting is entitled to appoint a Proxy or Proxies to attend and vote on his (her) behalf. A Proxy may but need not be a member of the Company and the provisions of Section 149(1)(b) of the Companies Act, 1965 shall not apply to the Company.
2. Where a member appoints two (2) or more Proxies, the appointment shall be invalid unless he (she) specifies the proportion of his (her) holdings to be represented by each Proxy.
3. The Form of Proxy shall be signed by the appointer or of his (her) attorney duly authorised in writing or, if the appointer is a corporation, must be executed under its common seal or by its duly authorised attorney or officer.
4. The instrument appointing a Proxy must be deposited at the Registered Office of the Company at Lot 6096, Jalan Haji Abdul Manan, Batu 5 1/2, Off Jalan Meru, 41050 Klang, Selangor Darul Ehsan not less than forty-eight (48) hours before the time for the Meeting or at any adjournment thereof.

EXPLANATORY NOTES ON SPECIAL BUSINESS OF THE AGENDA

(a) Re-appointment of Director Pursuant to Section 129 of the Companies Act, 1965

The Proposed Ordinary Resolution 7 under item 6.1 above, is in accordance with Section 129(6) of the Companies Act, 1965 which requires that a separate resolution be passed to re-appoint Tan Sri Dato' Alwi Jantan who is over 70 years of age as Director of the Company and to hold office until the conclusion of the next Annual General Meeting of the Company. This Resolution must be passed by a majority of not less than three-fourths (3/4) of such Members of the Company as being entitled to vote in person or where Proxies are allowed, by Proxy at the Annual General Meeting of the Company.

(b) Resolution pursuant to the Authority to Allot Shares pursuant to Section 132D of the Companies Act, 1965

The Proposed Ordinary Resolution 8 under item 6.2 above, if passed, will empower the Directors of the Company from the date of the above Annual General Meeting, authority to allot and issue shares in the Company up to an aggregate amount of not exceeding 10% of the issued share capital of the Company for the time being for such purposes as they consider would be in the best interest of the Company and also to empower Directors to obtain approval from Bursa Malaysia Securities Berhad for the listing of and quotation for additional shares issued. This authority, unless revoked or varied at a general meeting, will expire at the next Annual General Meeting of the Company.

(c) Resolution pursuant to the Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature

The Proposed Ordinary Resolution 9 under item 6.3 above, if passed, will enable the Company and its subsidiaries ("the Group") to continue entering into the specified Recurrent Related Party Transactions as set out in Section 2.3.2 of the Circular to Shareholders dated 11 November 2008 with the specified classes of the Related Parties mentioned therein which are necessary for the Group's day-to-day operations. For further information on the Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature, please refer to the Circular to Shareholders dated 11 November 2008 enclosed together with the Company's 2008 Annual Report.

(d) Resolution pursuant to the Proposed Renewal of Shareholders' Mandate for Share Buy-Back

The Proposed Ordinary Resolution 10 under item 6.4 above, is to seek the renewal of authority for the Company to purchase and/or hold up to 10% of the issued and paid-up share capital of the Company on Bursa Malaysia Securities Berhad. For further information on the Proposed Renewal of Shareholders' Mandate for Share Buy-Back, please refer to the Circular to Shareholders dated 11 November 2008 enclosed together with the Company's 2008 Annual Report.
