Upon completion of the nine (9) years, the Independent Director will have to resign unless he is retained by the Board as a Non-Independent Director. This is in compliance with Practice 5.3 of the Code. However, the Board may, in exceptional cases and subject to the assessment of the NRC on an annual basis, recommend for an Independent Director who has served for a consecutive or cumulative term of nine (9) years or more to remain as an Independent Director subject to annual Shareholders' approval through a two-tier voting process but provided always that the limit of the tenure of that Independent Director shall not exceed a cumulative period of twelve (12) years from the date of his appointment as an Independent Director of the Company in compliance with Bursa Malaysia's Main Market Listing Requirements.</p> <p>To justify retaining an independent director beyond the term limit of nine years, NRC will undertake a rigorous review to determine whether the "independence" of the Director has been impaired. Findings from the NRC's review will be disclosed to the shareholders for them to make an informed decision.</p>

### Practice 5.5

Appointment of board and senior management are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender.

Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

<b>Application</b>	:	Applied

In any case, any appointment of Director to the Board will be subject to the Director’s prior compliance with the Fit and Proper criteria of the Company.
